Military Regulations

Certain requirements for Shaklee shipments must be met in order to conform to military regulations **when shipping to a military base** (This is not a condition of this offer, this only applies to military base shipments):

- All orders must have a valid name and military address (APO/FPO)
- Orders must ship via USPS Parcel Post only.
- No sponsoring activity may take place on military bases unless you have received approval and we have received a copy of the letter.
- If the military base is outside of the US and its territories, then product may only be distributed on-base.

Q&A

Q: Who can take advantage of this offer?

A: Veterans, retired and active duty military personnel, including military spouses.

Q: Can a current Member upgrade free with this offer?

A: Yes. Field Support needs to handle this redemption, but the existing Member can call 1-800-SHAKLEE (who will escalate to Field Support). Alternatively, their upline Business Leader can call Shaklee Field Support at 1-925-734-3636 directly to request the free upgrade.

Q: If I share this with someone who qualifies and calls to take advantage of the offer would they become my downline distributor?

A: Yes, they will be asked to name their sponsor. If you can, initiate this sponsorship as a 3-way call to 1-800-SHAKLEE. That way you can be present to ensure everything about the transaction goes smoothly.

Q: Can the military personnel I sponsor operate a business on base?

A: Military personnel and their families may build a Shaklee business on-base, provided that they have the written permission of their Commanding Officer. Once approval is granted, military personnel must mail or fax a copy of the approval letter to Shaklee Field Support at 1-925-924-3888.

The no sponsoring activity flag will be removed only if Shaklee receives a letter granting approval from the Military. Otherwise, this restriction will remain in place.

Shaklee allows shipments to military personnel stationed overseas with APO/FPO (overseas military) addresses via the Shaklee Order Entry system. You can also sponsor new Members with an APO/FPO address.
